Friends:

The 8th Annual Tin Man 5K/10k - The Race to Oz will take place on Saturday, November 16, 2019 at Cooper River Park in Pennsauken, New Jersey. This event will benefit the William T. Nace Scholarship Foundation. The Foundation honors the memory of William T. Nace, a beloved educator, supervisor and administrator at Rancocas Valley High School in Burlington County for over thirty years, who passed away suddenly in 2004. Bill worked diligently in his different capacities to help and encourage others around him to be the best professionally and personally they could be. Bill's dedication lives on in those whose lives he touched, as they continue to contribute to better communities for all of us.

Our foundation continues Bill's work by providing scholarships to high school seniors who wish to further their education beyond high school. Please join us in that task. You can help us help local students achieve their dream of higher education by making a commitment to sponsor the Tin Man 5K/10k on November 17th. It's our goal to raise enough money at this annual event to continue to fund our current annual scholarships, as well as increase the reach of the Foundation throughout South Jersey. Since 2005, we've awarded over 20 high school students scholarships to help them achieve their dream of achieving a college degree. In our first year, we had ten wonderful companies who chose to join us in our mission. Our races have continued to operate at a profit due to the generosity of the local business community and others who share our mission. By choosing to sponsor our event, you will receive significant exposure to area residents as well as know you are helping area teens reach their educational goals. Sponsorship packages are available as follows:

- Platinum Sponsor - \$1,000.00 - Your company name and an 8x8 logo will be proudly featured on the top of our race T-shirt as well as on our race banner the day of the event as well as being promoted on our website, Facebook and all marketing materials.
- Gold Sponsor - \$500.00 - Your company name and a 6x6 logo will be featured prominently on our race T-shirt as well as being promoted on our website, Facebook and all marketing materials.
- Silver Sponsor - \$350.00 - Your company name and a 4x4 logo will be featured on the back of our race T-shirt as well as being promoted on our website, Facebook and all marketing materials.
- Bronze Sponsor - \$200.00 - Your company name will be featured on the back of our race T-shirt in 30-point font as well as being promoted on our website, Facebook and all marketing materials.
- Tin Sponsor - \$100.00 - Your company name will be featured on the back of our race T-shirt in 20-point font as well as being promoted on our website, Facebook and all marketing materials.

In addition to these sponsorships, we're seeking donations in any amount or in the form of goods and/or services. All donations will be recognized in our race promotional materials. Please join us in our efforts to help local high school students and consider including us in your community relations efforts by agreeing to sponsor this event. I've included a Sponsorship form for your consideration; if you share in our goal of creating educational opportunities for our local students, I ask that you fill it out and return it to the address listed above no later than November 5, 2019. We are a 501(c)(3) so your sponsorship is tax deductible.

Thank you in advance for your generosity. If you have any questions about our scholarship efforts, please do not hesitate to contact me.

Very truly yours,

AllynMarie Smedley

# William T. Nace Scholarship Foundation Tin Man 5k/10k/1 mile The Race to Oz

**November 16, 2019**

The William T. Nace Scholarship Foundation was formed to honor the memory of William Nace, a father, brother, uncle and educator who passed away suddenly on July 15, 2004. The Foundation is dedicated to assisting South Jersey high school seniors in following their dream of furthering their education.

The Nace Family and Bill's colleagues at RV High School have sponsored more than twenty scholarships since 2005; with the creation of this Foundation it is our hope to expand our reach throughout South Jersey. Shortly before his passing, Bill played the role of the Tin Man in a faculty production of "The Wizard of Oz," which is where our race got its name. You never know what impact a little heart can have and as we all know, "a little heart goes a long way".

Bill spent a lot of time doing little things to make the lives of those around him better than he found them. Much of this work went unnoticed and unrecognized. This Foundation is a tribute to that spirit; we like to think that Bill would appreciate that.

All proceeds from the race go to fund the Foundation's scholarship endeavors.
